NATIONAL CONFERENCE

on

Current Scientific Innovations & Research in Plant Biology

(Ensr-PB 2022)

In association with

Society for Plant Research

MAY 27 - 28, 2022

Department of Botany

Akal College of Basic Sciences
Eternal University,
Baru Sahib, Sirmour - 173101, H.P.
**About the Conference**

National Conference on “Current Scientific Innovations, & Research in Plant Biology (CSIR-PB 2022)” is scheduled in Hybrid Mode and will allow participants to join In-Person at Eternal University or Virtually from Home or Office.

The two-day conference creates a multi-disciplinary forum for discussion and analysis to fully comprehend global, regional, and local trends around the world. The conference tries to put together an exciting scientific program focused on Plant Biotechnology & Applications, Phylogeny, Mycology & Disease Management, Plant Physiology, Systematics & Taxonomy, Plant Biology & Environment, Agricultural Research, Plant Proteomics & Phenomics, Rhizospheric Biology and courses all with a strong emphasis on plant science and plant biotechnology.

**About the University**

Eternal University is a non-profit multi-disciplinary private university established in 2009 through the Government of Himachal Pradesh Act. Situated in the valley of divine peace known as Baru Sahib. The Eternal University has a sylvan campus on the Raigarh to Nahan road. The University is well connected by road to Chandigarh (130 km), Shimla (110 km), Solan (64 km) and Raigarh (26 km). The nearest airport is Chandigarh. The University has established state-of-art teaching facilities including modern lecture theatres, modern laboratories and online teaching tools. Eternal University is well equipped with laboratory, library, hostel and bank facilities. With the present pace already acquired the University looks forward to excel in frontline areas of teaching and research.

**About the Department**

Department of Botany was established in year 2016 as a part of Akal College of Basic Sciences with an objective to meet the demand of skilled & educated students. It is equipped with facilities such as • Conservation (Botanical) Garden • HPLC • AAS • UV-Vis Spectrophotometer • PCR • Phase-Contrast, Fluorescence Microscope, etc.

**Themes**

- Agricultural Crops & Vegetables.
- Biomes / Bioenergy / Nanobiotechnology, Gene Editing and Bioinformatics.
- Green Chemistry & Herbal medicines.
- Phycology, Mycology & Plant Pathology.
- Plant Taxonomy & Systematics.
- Plant Ecology & Environment.
- Plant Biotechnology, Omics & Bioinformatics.
- Plant Physiology & Ecophysiology.
- Plant Proteomics & Phenomics.
- Plant Microbiology & Rhizospheric Biology.
- Methods, Techniques & its application for Plant Biology.
- Mathematics, Biostatics and Biophysics for Plant Biology.

**Call for abstracts**

Young Scientist (Age limit 35 Yrs.), Best poster / e-poster, paper / e-paper will be awarded and awardees (with offline registered participants in-person) will be reimbursed* for their travelling allowance (to & from) up to the fare* of Indian Railway AC-III (3) tier.
